

HOW TO P-P-P-PAINT A PENGUIN

1 Start with an oblong-shaped blob of white paint

2 Carefully surround it with some black

3 Now add two curved lines on the sides. These are his wings

4 Next come the little feet. Easy!

5 Add a little bit of orangey-yellow to the top of the tummy

6 Paint in a nice, pointy, penguiny beak

7 Now add some orange blobs on each side of his head

8 Carefully draw little eyes on top of the orange blobs

9 Add two orange lines above the beak

10 Finally add the eyebrows. Voilà! It's Penguin Jeff!
